Product Description

1500LM Luminous Flux within LED Waterproof Lighting at 180° Beam Angle

Product Description:

Our LED Water-resistant Lamp is made of ABS housing and glass cover, with a weight of 390g. It has a luminous flux of 1500LM, a beam angle of 180°, and a battery milliampere of 15W(4400MA) and 30W(5200MA). It is the perfect waterproof floodlighting lamp for outdoor use. It is made with a waterproof rating of IP65, making it resistant to dust, water, snow, and rain. The lamp is corrosion-resistant, ensuring longer service life. It is also energy efficient, consuming less power while providing maximum brightness. It is also easy to install and can be used in many different places, such as in gardens, yards, and other outdoor areas.
